ADELE DEMORO, Instructor

Adele DeMoro, a native New Yorker born and raised in NYC, moved to New Jersey and became a Realtor in 1992. Her enthusiastic approach to real estate led her to become a top producer in her area, a Mega Agent with over twenty million in volume, and subsequently form one of the first real estate teams in her area. As a business-minded woman, she then stepped into the Broker/Owner position and became an Operating Principal of a Keller Williams Realty Market Center in 2003.

Adele currently has five offices in Central New Jersey, located in Monmouth and Ocean Counties, with a current agent count of almost 900 agents and growing. She also owns several other businesses.

Adele's wish is that you learn YOU can have a life worth living!
